1	Membership recommended for	Recommended for those people who are very busy with personal lives right now for regular membership, but would like to become members in future and participate in select events *.	Recommended for those people for whom whistling is just a hobby and feel why they should pay to learn whistling or who stay far away from IWA centers (Mumbai, Kochi, Chennai) and are unable to attend meetings regularly but would like to stay in touch and connect with other whistlers, learn something.	Recommended for those people who live in Mumbai and seriously want to hone their skills and take their hobby to the next level and perform in public at National and International platforms.
